

INCLUSIVE COMMUNITY REPORT.

The Inclusive community committee meets in the first week of the month (times may vary) and you are most welcome to attend our meetings.

On Mothers' Day we had our "Munch with a Bunch" lunch, in the Fellowship area. It was a very happy little gathering and thirteen people attended. One guest said that it was great to have somewhere to go on a day when she would have been very lonely. She enjoyed a lovely meal and met new people. Thanks to our committee members for providing the food and serving our guests. We are planning our next "Munch with a Bunch" function and it will be held on Sunday 11 July and will be an outing to Monash Art Gallery.

We provided morning tea for our congregation and visitors from other churches on the 16th May, for Christian Unity Ecumenical Sunday. It was good that this was also the day when the youth provided cups of coffee to promote Fair Trade. Our visitors were impressed when there were choices!!!!!! We would like to thank Alanee and her team for their work that morning.

At our meeting on Friday last, the 4th June, we discussed formation of new FISH groups. We will be contacting people in the near future. We were pleased to have time to chat with Vida about groups that would interest the Asian members of our congregation.

Last week we were pleased to welcome people at all services. We have a welcoming person at 4.30 pm now and Alanee is responsible for letting us know about new people at 7pm. (Information about new people will be passed onto the Newcomers' committee.)

If you have ideas for new groups or problems with existing groups (eg. difficulty moving chairs and/or tables), we would love to hear from you.
