ANGLICAN PARISH OF ST. STEPHEN AND ST. MARY MOUNT WAVERLEY

Vicar: Revd Dianne Sharrock

Glen Waverley Uniting Church
Cnr Kingsway and Bogong Streets
GLEN WAVERLEY 3150

Dear Friends

The Anglican Parish of St Stephen and St Mary Mount Waverley is celebrating the 150th anniversary of St Stephen's Church. The anniversary will be celebrated on Sunday 26 July at a Choral Eucharist at 9.45am presided by Archbishop Philip Freier followed by brunch in the parish centre.

St Stephen's original church is the oldest church in the former City of Waverley and has a beautiful stained glass window in memory of the men from this area who served in World War 1. There will also be a display of historical items and memorabilia will be available for purchase.

You and your parishioners are invited to join us at this celebration either for the service or if you wish you are welcome to join us during the afternoon to inspect the old church and display. Afternoon tea will be available.

For catering purposes for the brunch following the service please RSVP to 150th Committee, 383 High Street Road Mount Waverley or to 150anniversary@stephenandmary.com

We look forward to you being able to join us for this important celebration.

Yours in Christ

Joan West on Behalf of Reverend Dianne Sharrock

A Letter to the Congregation

Dear Friends,

By now I expect that you may have had the opportunity to use the sacred space adjoining the church vestry. Maybe you were looking for a quiet place to pray or meditate in solitude. Another idea is to gather in the sacred space with some friends for small group prayers or meditation. These might be based on a passage of scripture or an inspiring poem or passage. The group might pray for one of its members going through a time of sorrow or joy using short, simple prayers, direct, honest, authentic, sincere and from the heart. Silent prayers are fine too. Someone may guide the prayer but let the Holy Spirit lead. I believe that our sacred space can be a real blessing if we use it well.

Recently I have been thinking about "trust". We would not truly understand the meaning of trust if we merely relied upon a theoretical explanation. True understanding of trust comes through lived experience. Trust has to be earned. We trust people who do what they say, who are transparently honest, who do not gossip and who live lives of integrity. Sadly, we may realise how valuable trust is because of its absence, for instance at times in our lives when we are deeply disappointed by people. Trust develops when we are with people who are authentic and consistent. Trust flourishes when a graciousness of attitude and an understanding that 'forgiveness opens the heart' are present.

In our church trust grows when our lives are both communally and personally attuned to and consistent with the Gospel. The scriptures point to the wisdom and value of trust in our relationship with God: "Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight." (Proverbs 3:5-6).

I pray that as members of Glen Waverley Uniting our trust in Christ will shape our lives, and continually strengthen us to truly be a congregation who embody both the integrity and faithfulness of Christ.

Helen Stewart - Chair of Church Council.

Special News - Rev Bill Morgan

Please make sure that you check out the June edition of Crosslight and the June edition of Newsbeat. Both of these publications make mention of Rev Bill Morgan, and the celebration of his 70 years of Ordination.

Definitely something that is worth a read.

How can you contribute to the life of the congregation?

We are looking for someone who feels they could take on the role of Congregational Meeting secretary. This is not a demanding role, as its tasks are only related to a Congregational Meeting. If you could help, or you would like more information, please talk to Warren Greenwood (9803 8373) or Rev Neil Peters. It would only take about 4 hours work for each meeting.

The tasks are:-

- Assist in the preparation of the congregational meeting agenda.
- Record minutes during the Congregational Meeting. ##
- Finalise the minutes. ##
- Follow up any small matters and prepare thank-you letters and emails.

Usually presenters provide written reports that make it much easier to prepare the minutes.

Please consider if this is a contribution you could make.

Thank you.

Romans 8:38-39 - "For I am convinced that neither death, nor life, nor angels, nor rulers, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything in creation, will be able to separate us from the Love of God, in Christ Jesus our Lord. Amen."

Asylum Seeker Clothing Collection

Until further notice only winter-weight items should be left in the Clothing box in our church foyer. The recipient location in Dandenong for all our donated goods currently has insufficient storage to also store lighter garments.

Monthly Material Aid Offering - June - Asylum Seekers Month

The response we have received to date for the Monthly Material Aid Offerings has been exceptional.

Congregation members are again being invited to contribute to the Monthly Material Aid Offering. Recipients for the offering in the month of June will be Lentara - Asylum Seekers.

The collection basket will be placed in the foyer for the preceding week so that those unable to attend church on the day of the offering, Sunday 14 June, may participate.

Specific items requested by Lentara include: personal hygiene products, household cleaning products, Miki cards, various long-life food items listed on the basket.

For further details contact Andrew Hosking or Heather Wilkins.

The Christian Church in the World

Christians Imperilled in North-east Syria:

Before Islamic State fighters raided the Assyrian villages on the Khabour River on 23 February this year, some 8000 Assyrians still lived there. Now they number less than 2000 and are dwindling rapidly. Many are displaced and taking refuge in the provincial capital. A Christian militia comprising some 450 Assyrian men has been formed to defend the remnant. Whilst they have the support of some Kurdish fighters, nobody else is helping them. Turkey has sealed the border and Islamic State fighters have besieged the Syrian border town which now hosts some 100 Assyrian families displaced from the Khabour River region. Over 200 Assyrian Christians remain in IS captivity. Please pray for the Church in Syria, whose leadership describes the situation as 'catastrophic'.

The Christian Kachin Terrorised in Burma:

Burma is ruled by a Burman-supremacist Buddhist regime that marginalises and persecutes all Burma's non-Burman and non-Buddhist peoples. Whilst the junta's long-running war against the Christian Kachin of Burma's far north is motivated by greed for the Kachins' resources, the Burmese military's extreme violence is motivated by deep-seated racial and religious hatred. In January two young Kachin women missionaries were raped and clubbed to death by Burmese soldiers in the Kachin Baptist Convention church compound in Northern Shan State where they lived. Civilians are routinely targeted - over 100,000 have fled their homes. The West turns a blind eye to the persecution to protect its economic and geo-strategic interests and to ensure Burma does not drift back into China's sphere of influence. Please pray for the Church in Burma.

A thought on Romans 8:

O Living Lord,
You are here in the world you made,
Not sitting in the sky,
 remote, untouched,
But here, sharing it with me.
Sharing the pain and disappointment,
Sharing the joy and the love.

Inclusive Community Report - June 2015

Prayer Chain: If you have a prayer request and you don't want it placed on the weekly prayer list, we do have a prayer chain. All requests for prayer are kept confidential and are only passed on to chain members. We don't need to know why you are requesting prayer, just a name is fine. If you are interested please contact Heather in the office.

Medical Cards: were given out a few weeks ago. If you didn't get a card, there are extra cards on the Stewards' table. If you received a card a few weeks ago, please make sure that you have filled it out and placed it in your wallet or handbag. These cards will be very useful if we need to contact family members or doctors, in the case of medical emergencies. (The cards are yellow.)

Prison Fellowship Easter Biscuits

We have received an email from Rick Hunt, Training and Engagement Co-ordinator with Prison Fellowship, who reports the following ...

A number of letters have been received in the state office following our distribution of biscuits during the Easter period. One said that "Your gift is a sweet reminder that out there someone does care, and amidst our anxious wait for our outcome at court there is hope." Another said "Your kind thoughts and support gives us hope for the future - so thank you very much." The thought that a small gift of biscuits combined with a card telling the Easter story can have such an impact on people is humbling. It is a story of the presence of God's light in dark places and gives us encouragement to follow the calling that God has placed on the organisation; that being "To share the Gospel of Jesus Christ with prisoners, ex-prisoners, and their families".

Thank you to those members from Glen Waverley Uniting Church who contributed to this valuable outreach.

Outreach Forum - Sunday 21 June at 12.15pm

This month we are delighted to have Dee and Dan Rutherford share with us about the work they were involved in founding which now operates as the Kivuli Project (Australia) Inc.

The Kivuli Project is a non-profit Christian organisation managed by a board with representatives from both Australia and Kenya. It is registered as a Charitable Children's Institution (CCI) and a Non-Governmental Organisation (NGO) in Kenya and as an Incorporated Association in the state of Victoria, Australia. The organisation was founded simultaneously in Australia and Kenya in February 2010.

Kivuli Project is committed to following Jesus Christ's example by showing practical love to the people it encounters in Central Kenya. The Kivuli project works closely with the Kenyan children's department to care for, advocate for and protect children classified as being 'in need'.

Come and share lunch together and hear about this wonderful work. Cost \$5 and please indicate attendance at the office window.

Greg Linwood's Earthquake Story

"On the morning of 25 April 2015 I enjoyed pancakes and coffee for breakfast with the Nepali family who accommodates me during my frequent visits to Kathmandu. We discussed the old Audrey Hepburn movie "My Fair Lady" and watched some of the movie on YouTube. I have always loved the theme song "On the street where you live" so ironically I went off into the day with the words from one of my favourite songs on my mind.

'I have often walked down this street before,
but the pavement always stayed beneath my feet before'

When the big earthquake struck around midday north-west of Kathmandu, I was toward the epicentre in Kathmandu's north-west fringe visiting a blind children's orphanage.

...
I leapt onto heaving earth which was flowing like an ocean swell, making it impossible for me to stand upright."

Anna Linwood, Greg's mother, has been made aware of the immediate need for tents for accommodation for all those who need accommodation since the earthquake. Due to a combination of unstable buildings (some of which have been destroyed) and the wet season on the way, there is an urgent need to help with this.

Anna will be selling goods at Glen Waverley Uniting Church on Sunday 14 June. All money collected will be processed through our church accounts and go to assist in the purchase of vital tent accommodation. Please see Anna to purchase some of her beautiful handmade goods.
