The Christian Church in the World (cont ...)

A new Cultural Revolution in China?: This year is the 50th anniversary of Chairman Mao's Cultural Revolution and it seems there is now a new cultural revolution. Not only is President Xi purging the Chinese Communist Party (CCP) of all opposition, he is reviving Maoist ideology and strengthening CCP control over everything, including the Church. President Xi's campaign to force the Church into the service of the CCP is focused at present on the southern coastal province of Zhejiang. For the first time since Mao's Cultural Revolution of 1966-1977 the CCP is targeting official, CCP-approved churches. In recent weeks two of Zhejiang's most senior registered pastors have been imprisoned, essentially for criticising CCP policy and resisting CCP orders. The situation in China is extremely serious. Please pray for China and its Church.

From Religious Liberty Prayer Bulletin

May I share this Prayer with you.

A Prayer at the Beginning of the Day.

O God,
We find ourselves at the beginning of another day.
We do not know what it will bring.
Please, help us to be ready for whatever it may be.

If we are to stand up, help us to stand bravely.
If we are to sit still, help us to sit quietly.
If we are to lie low, help us to do it patiently.
If I am to do nothing, let me do it gallantly.

Please, free my thinking and feelings,
and the thinking and feelings of others,
from all forms of self-will, self-centredness,
dishonesty and deception.
Along with my brothers and sisters,
We need this freedom to make choices,
according to your desires.
Send your Spirit to inspire us in time of doubt and indecision,
so that together, we can walk along your path.
Amen.

Asylum Seeker Support

The Asylum Seeker Support Group would like to thank the congregation for their donations towards the support of asylum seekers living lawfully in the community while awaiting an outcome to their application for permanent residency. During 2015 we were able to assist with over 150 items of food, 30 household cleaning agents, 46 items of bedlinen, 20 items of bath linen, 287 items of clothing, and 41 sundry items. There is a continued need for these contributions. The labelled boxes in the foyer (under the library shelves) tell you what the specific needs are (particularly in food lines), so check them out and remember them when you go shopping! Items contributed are given to the Dandenong Asylum Seeker Centre, and to the Asylum Seeker Project run by our Uniting Church agency, Lentara.

The Christian Church in the World

Pray for Sudan and its Church: Christian activist Talahon Ratta, a member of the Sudan Presbyterian Evangelical Church, was arrested on 14 December 2015. Detained without charge, reportedly he has been questioned extensively about his relationship with a foreign missionary, although Christians suspect he was targeted because he protested against government persecution of the Khartoum Bahri Evangelical Church. On 18 December 2015 authorities from the National Intelligence and Security Services arrested Rev Kowa Shamaal at his home in Khartoum Bahri and Rev Hassan Abdelrahim at his home in Omdurman. Shamaal is the head of mission at the Sudan Church of Christ (SCOC) and Abdelrahim is vice-moderator. Both had objected to government demolitions of SCOC church properties. Kowa Shamaal has been conditionally released but Hassan Abdelrahim remains detained. Please pray for Sudan and its Church.

A Letter to the Congregation

Dear Friends,

Mark 12.36: 'Abba! Father!' The cry of the Spirit

These words reflect feeling, awareness of the love and the reliability of God. These words are words of the Spirit. There is a strengthening of courage which is required to go forward and face the future in the knowledge of the graciousness and nearness of God.

As we read this passage from Mark we imagine Jesus falling to the ground and praying. He prays alone and then returns to find his disciples asleep. His message is clear.

Mark 14.38: 'Stay awake and pray for strength against temptation. The Spirit wants to do what is right, but the body is weak.'

During Lent and Easter we are reminded of the pain and the joy. We experience the sorrow and sadness of the crucifixion. Yet, we also feel uplifted as we read of the resurrection. In the midst of pain there is the hope of joy.

Over Lent and Easter Christians reflect upon new life and hope which is represented by Christ's resurrection. At a personal level Easter can be seen as a time for renewing and deepening faith.

May we discover a deep sense of joy and peace. Be assured that God's Spirit surrounds us and we live with the reassurance of God's sustaining presence.

Helen Stewart - Chair of Church Council

NewView March 2016

Our next issue of *NewView*, with the theme of readiness, will be distributed just before Easter, when we are remembering the path Jesus took and his readiness for what lay ahead. How significant is readiness in our own lives? Can we prepare ourselves for the future or should we just 'go with the flow'? Is 'readiness' an illusion? Is 'discernment' a type of readiness? What happens when our preparations go awry? If you have any thoughts or experiences to share relevant to the theme, start writing now!

Additionally your reports, photos, anecdotes of recent activities are necessary to keep us all informed about the work and life of our large church community, whether related to the theme or not! Accompanying photos are also welcomed.

Submit your contributions of up to 1000 words to the church office, or email to popesr@aapt.net.au by Monday, March 7. Any queries? Ring Robin Pope on phone 9561 7021.

Hot Cross Buns on Good Friday

Following the 9.15am Service on Good Friday, 25 March, Hot Cross Buns and a cuppa will be available in the hall. Please bring some Hot Cross Buns to share.

24 February 2015

Dear friends,

Many of you will be aware of the devastation and tragic loss of life caused by Cyclone Winston, which hit Fiji on Saturday 20 February. Reports to date indicate that 29 people are confirmed dead, and around 14,000 people are sheltering in evacuation centers. Whole villages have been destroyed, particularly on the island of Koro where a relief and assessment ship is being deployed.

The Uniting Church has long been committed to assisting those in need, especially during times of crisis. I urge you to consider ways you and your church community may be able to assist in the relief and support effort and to keep those affected in your thoughts and prayers. Please consider contributing what you can, to stand beside our neighbours and to offer the practical support they desperately need at this time.

Share has set up an appeal with donations supporting UnitingWorld's partner, the Methodist Church in Fiji. The Methodist Church is the largest denomination in the country, covering an extensive network across 55 districts. President Rev Tevita Bainivanua has opened all church buildings for emergency shelter and has directed ministers throughout the country to assess and report on the extent of the damage.

According to UnitingWorld staff member Rev Dr Cliff Bird, who is on the ground in the capital of Suva, destruction has been "widespread and very bad."

"The Lau group of islands, Koro Island, villages on Vanua Levu and their township Savusavu have been hit very badly. Hundreds of homes have been lost, infrastructure damaged, farms, vegetable gardens, livelihoods destroyed. Water and power supply to many areas are still down," he said.

Donations will be forwarded to UnitingWorld and used to support the Methodist Church's relief efforts, including re-establishing healthcare and schools, replanting crops and livelihoods and 'building back better' to safeguard communities against future cyclones.

You can support the cyclone relief efforts through Share by sending a cheque or money order to:
Share Fiji Cyclone Appeal
PO Box 24154
MELBOURNE VIC 3001

Alternatively, you can call 1800 668 426 or donate online at www.shareappeal.org.au

Please pray for these communities and for the relief and aid workers assisting on the ground.

With kind regards,

Dan Wootton
