The Christian Church in the World

'Remember those in prison' in Algeria, Iran and Sudan

On 7 August an Algerian judge sentenced Slimane Bouhafs to five years imprisonment for blaspheming in a social media post claiming that the light of Jesus was overcoming the 'lie' of Islam. In Iran, where many Christians are imprisoned, three Azerbaijanis and an Iranian convert were arrested at an engagement party in Tehran on 24 June and 11 believers were arrested in a raid on a house church on 12 August. In Sudan, two Nuba pastors, a Darfuri convert and a Czech film-maker are on trial, accused of tarnishing the government's image with 'false' stories of Christian persecution and Nuba genocide. The charges include waging war against the state and espionage, which carry the death penalty. 'Remember those who are in prison, as though in prison with them...' (Hebrews 13:3)

Christians in Pakistan - 'Persecuted, but not forsaken' (2 Cor 4:9)

Early on Friday 2 September four Islamic militants attacked the Warsak Dam Christian Colony with the intention of wiping out the 30-40 Christian families living there. First they shot and killed Samuel Masih as he unlocked the gates at 5.30am. Fortunately someone managed to call the police. They happened to be close by and on high alert, having been informed that terrorists were planning to attack the nearby Warsak Military Cadet College. All four terrorists were killed, though miraculously no other Christians perished, despite one terrorist detonating his explosive vest inside a Christian family's house. May Jesus our Saviour and Shepherd comfort and support Samuel Masih's widow and five children. May Yahweh Sabaoth, the Lord of hosts, command his angels (Psalm 91) to guard and defend Pakistan's vulnerable Christian communities.

from Religious Liberty Prayer Bulletin

From 'With Love to the World':

The Reading for the Day was from Lamentations, chapter 3:19-26... "My soul is bowed down within me, But this I call to mind, that the steadfast love of the Lord never ceases, His mercies never come to an end; they are new every morning, I will hope in him."

And I was touched by the devotional comment on this text: "Despair and Hope hang in the balance. We do not choose the times in which we live; rather, our task is to be faithful in the times we have. That is all that is asked of us. There are but our prayers pitched into the silence, in hopeful defiance, to the same, enduring, faithful, waiting God."

Victorian Seniors Festival - Celebrating Seniors - Sunday 9 October

Operation Christmas Child

This year Glen Waverley Uniting Church is again joining in Operation Christmas Child, a Project of Samaritan's Purse, and we invite you to participate.

"Shoebox gifts are for kids in need, regardless of their background or religious belief. Each shoebox is a gift of love that tells a child they are not forgotten."

Each shoebox is filled with a variety of simple gifts and delivered to children in developing countries for Christmas.

Brochures with further information and preprinted shoeboxes (or you can use your own) are now available from the Church Office during office hours.

For gift ideas you can visit: <https://www.samaritanspurse.org.au/what-we-do/operation-christmas-child/>

Please consider participating in this wonderful project with your family. Filled shoeboxes can be dropped off at the Church Office (after the Fete) between Monday 17th and Thursday 27th October. The shoeboxes collected will be delivered to Operation Christmas Child on 28th October for delivery to the children for Christmas.

Have fun!

A Letter to the Congregation

Dear Friends,

Recently I received an email from Rohan Wickramaratne saying how important it is for parents to provide their children with a framework built on understanding the ways of Christ. Parents not only need to provide children with material things, but they also need to encourage them to develop inner values, based on Christ's teaching. Rohan mentioned the heartbeat of Christ who acknowledged the widow, the poor, the marginalised, the refugee and the helpless.

The program that Kerry Leister and Belinda Chung run for 'Kats', 'Dogs' and now 'Mice' provides these children with opportunities to develop and understand these values. As a Community we are richly blessed to have such dedicated people involved in creating programs to support children in learning about Christ.

We are invited into a relationship with Christ and as we journey with our Lord we are called to be His faithful people. Marcus Borg asks, in his book 'Embracing An Adult Faith': What does it mean to you to respond wholeheartedly to Jesus' call to 'Follow me'?

Words of assurance: In God we find true freedom.

Inclusive Community Report

Prayer Support Group: If you have a prayer request and you don't want it placed in the prayer book, we do have a prayer support group. All requests for prayer are kept confidential and are only passed on to group members. We don't need to know why you are requesting prayer, just a name is fine. If you need more information, contact Heather or Wendy in the office during office hours, or Beverly on 0417 359 779.

Light Lunch: We will be providing a light lunch on Sunday 23 October after the 11am service. We hope that you can join us.

English Classes are going well, thanks to our willing volunteers (Thursdays at 11.15am in Room 4). It has been exciting to have an attendance of between 11 and 16 (and have to put up an extra table). If you would like to volunteer as an emergency class helper in term 4, please ring Heather or Wendy in the office, and leave your contact details. I will get back to you.

Pastoral Partners Workshop: Our next workshop will be held on Sunday 23 October at 1.15pm, following a light lunch. I am delighted to tell you that Rev. Tom Rose has offered to be our guest speaker. If pastoral care is one of your passions or you would just like to hear Tom please put this date in your diary. I will be contacting visitors and pastoral support people before the 23rd.

Coffee and Cake: We will have coffee and cake after the combined service on 16 October - the day after the Fete - when we will be exhausted but very pleased with our efforts and the result. Please join us for this celebration.

Medical Forms: We are still collecting medical forms. If you have one at home that you have forgotten to return, please fill it out and return it to the office. If you would like to fill out a form now rather than waiting for a letter, there is a copy of the medical form on the WIKI. Some people have said that they would like to carry medical emergency cards in their wallets or purses, instead of filling out forms. If this is what you want to do, please make sure that your card is easily accessible, in your bag or wallet, in case it is needed in an emergency.

Our next meeting will be on Thursday 27 October at 1pm in room 4. If you have suggestions for activities, please let us know.

Monthly Material Aid Offering

There will not be a Monthly Material Aid offering for the month of October so that the focus can be on the Fete.

Working Bee at Glenallen School

Our Church has been seeking ways to strengthen our partnership with Glenallen School. This school relies on community support for several working bees during the school year. Parents are not expected to attend as it is too hard for them to leave their child with special needs. Andrew Hosking has agreed to lead a small team to participate in the next school working bee which is to be held on Saturday morning 22nd October and we believe it concludes with lunch provided by the school. At the time of publication times were not yet confirmed. We will provide more details as they become known. Please express your interest in joining the team to Andrew or leave your name at the office. It will be fantastic if our church can get a team together to support the school in this way.

Craft and Gift Stall for the Fete

Thank you to those people who have been sewing or crafting at home.

We will be wrapping and pricing items for the craft and gift stall for the fete on Monday 3rd October and Monday 10th October from 10am - 12noon in the church hall.

If you have any items to sell on this stall, it would be helpful if you can bring them along at this time, or give them to Lynne Boyer, Laurel Muir or Judith Greenwood, or leave in the church office labelled for craft.

Thank you.

Church Christmas Lunch - Sunday 27 November

The Annual Church Christmas Lunch will be held on Sunday 27 November from 12noon to 2pm. More details and the opportunity to book will be provided soon, but please keep this date in your diaries now.

Eco Task Group

Have you heard of the 5-leaf eco-awards programme? It is an ecumenical initiative that encourages churches and their congregations to take practical action to make us better stewards for our environment. (For more information see <https://fiveleafecoawards.org>.) Church council has endorsed an eco-task group comprising Amy Spark Eichenbaum, Aaron Blakemore, David Morgan and John Snare, to explore options to achieve Five Leaf Eco-Award certification. Of course, certification is not an end in itself, but the discipline of the programme has the potential to help us find practical ways, both in our church and private lives, to be better stewards of our precious environment. You will be aware that we have already done a lot as a church to be more eco-friendly. Our water harvesting and reuse followed by our solar electricity installations are examples of what has been done to date. There are others in our Presbytery interested in the 5-leaf eco-awards programme, and together we are looking at options. As a first step, we have recently completed an energy use audit so that we have baseline information against which to measure progress. The audit revealed that last year we generated more electricity than we used. Our solar panels are saving us money and also contributing to easing the pressure on the environment. We are so lucky to be such a resource rich congregation. However, it is important to balance the effort we put into protecting the environment with requirements to resource other aspects of our mission, and eco-initiatives will be proposed mindful of that. Do you want to help? If so contact Amy (spark.amy.j@gmail.com).

Eco Tip: All plastic bags/ plastic that can be crunched up can be recycled at Coles stores and some Woolworths stores where they have plastic bag recycling. So all the plastic bags that food etc. are bought in can be collected and taken back to the supermarket for recycling.

Outreach BBQ Forum - 30 October at 12noon

This month we are holding another exciting outreach forum.

August's was a great event and on October the 30th at 12 pm, we bring you David Karoly. David is one of Australia's leading climate and environmental scientists and we are very excited that he is coming to talk to us about his work. Lunch will be provided and the cost is \$5. Please put your name in the list in the foyer with any dietary requirements for catering purposes.

Uniting Church in Australia
SYNOD OF VICTORIA AND TASMANIA

Faith-filled friendships essential ingredient for breaking down Islamophobia

*A Pastoral Statement from the Rev Sharon Hollis,
Moderator of the Uniting Church Synod of Victoria and Tasmania*

As Interfaith September draws to a close, I want to encourage people of all faiths and none to remember there are eleven other months in which we can also celebrate the strengths of interfaith dialogue and relationship.

The need to walk together is imperative as new data from a university research project tracking attitudes to Islam has found that people who do not actually know any Muslims are more convinced that they pose a threat.

This is as unsurprising as it is alarming.

The Uniting Church has a strong commitment to an interfaith community and I would urge all members to make connections with Muslim neighbours and colleagues, and to seek out multi-faith groups so together we can break down this growing fear of 'the other'.

Some members of Federal Parliament and sections of the media are fuelling this fear, by utilising the complexities of our world to make uninformed provocative statements. As Christians we are called to stand with all who experience discrimination and exclusion. We are also called to address this fear and ignorance with knowledge and respect.

We believe that as a nation we are capable of being inclusive and of protecting and supporting those who experience vilification and alienation. We are capable of being wiser and stronger when we open ourselves to the gift of the other.

As people of faith we believe that the vibrant interfaith community is comfortable living and working in a secular environment where people of all faith or none are welcomed. We seek what we know we have in common. We have come to know that there is nothing to fear from diversity. We welcome the stranger to share a place at the table and in this way we become friends.

I encourage all Victorians and Tasmanians to build on these qualities of welcome, hospitality and openness of mind and heart so that together we build a rich, diverse and generous nation.

Communications Manager, 0417 516 362.
