Today's Flowers in the church

Arranged by Lesley Lamble.

Walk-a-thon

A huge thank you to those who walked, sponsored and assisted on the day and in the lead up to make sure the third annual Walk-a-thon was a big success. When this started Neil never imagined the sort of interest and support that this would generate.

UCAF - Tuesday 1 May at 10.30am

Tuesday 1 May is the UCAF Luncheon. Speakers will be Shirley and David Williams. The talk is entitled Overture to the Outback. We will commence at 10.30am if you wish to see the display of David's paintings. The talk commences at 11am and lunch will be at 12noon. Tickets are \$25 and if you still want one, you will need to speak directly with Barbara Thompson. You can contact Barbara on 9802 3980. We do hope you will be able to come and your friends are most welcome.

CAE Book Group - Wednesday 2 May at 8pm

CAE Book Group will meet on Wednesday 2 May at 8pm, at the home of Thelma Nichols, 28 Diamond Avenue, Glen Waverley. 9802 5966.

Men's Fellowship - Thursday 3 May at 2pm

This month we are having an outing to the Steam Museum in Ferntree Gully Road. As they are not open on Tuesday we are changing our day to Thursday. We will meet at the church at 2pm for a short meeting and devotions and then drive (in as few cars as possible) to the Museum to look at the technology of early last century. We will then return to church for afternoon tea. It should be a very interesting afternoon. Come along for an afternoon of interest and fellowship. All welcome.

SOUND ADVICE

Providing sound management for worship, weddings and funerals is becoming a challenge for the congregation.

We are looking for people to learn the basics of sound management to enable us to continue to help church functions, hirers and others to use our church facilities.

If you would be willing to learn how to connect and control a microphone, please add your name to the list on the office counter.

This does not require technical knowledge, just organisational skills.

We are particularly looking for people who can be available during the day. This is when most weddings and funerals are held and is the time we are finding most difficult to get help.

In some instances you may even receive a payment from the hirer for performing this task.

To all existing sound operators: We need to give everyone some additional training on how to best use the church systems as there have been some minor changes and we wish to ensure the best outcomes for operators and users.

In the next few weeks we will be arranging training opportunities to help. Please try and find time to attend.

If you have a question, please contact the office or myself.

Thank you -

WEDDING AND FUNERAL SUPPORT

We need stewards for weddings and funerals.

This task involves opening and closing the church for the function, ensuring the organisers have what they need and for funerals providing support to the funeral companies.

It may also require help in turning microphones on, making sure there is toilet paper and hand towels available etc.

If the requirements are more complex than that, others will always help you.

These needs are almost always during the day and are hard for us to cover.

It does not require heavy lifting skills.

There is also a need for people willing to clean up afterwards, and usually the hirer will offer a thank you payment.

You will always be contacted and asked if you are available.

You will always have people to help get you going.

If you can or would be a steward, could you add your name to the list on the office counter.

If you have a question, please contact the office or myself.

Thank you -

Warren Greenwood - Property Chairperson
