## Important Covid-19 Update and our Building complex

The current Victorian Government restrictions which include a limit of 10 people, social distancing and cleaning protocols make it neither possible nor practical to open our building complex at this time. Further information will be made available after the church council meeting this coming week. We are being guided by the advice of Synod and Presbytery and the desire to ensure we can keep everyone, especially the most vulnerable, as safe as possible. We thank everyone for their patience and support as we continue to move through this challenging time together.
