GOOD NEWS!

Gathering limits and density quotients have been lifted!

There are now NO RESTRICTIONS on the number of congregation members able to attend worship services, however all those who attend must be **fully vaccinated**.

Please Check-In upon your arrival using the QR code displayed at all entrances. A *Check-In Marshal* will also need to verify your vaccination status. This is required by the government and is important for everyone's safety.

Our worship services will continue to be live streamed.

LOOKING FORWARD TO BEING ALL TOGETHER AGAIN!

Masks are still required in high risk areas and are recommended where physical distancing cannot be maintained. Worship services where all attendees are fully vaccinated are not considered high risk, so masks are not required, but please continue to wear your mask if you feel uncomfortable removing it.

A reminder that during worship or meetings, all doors and windows should be open to allow natural airflow, and ceiling fans must not be used.

Please note: we are currently not collecting jars as we have plenty to refill BUT if you purchase honey from us and are able to return the empty jars for refilling that would be great!

Sammy Stamp

Don't forget to keep collecting stamps for Sammy Stamp. The stamps must be in good condition, lightly postmarked, on paper and trimmed with scissors to leave a 3mm paper border around all 4 sides. Stamps should be cut off envelopes (not torn) and not floated off. Please discard stamps that are heavily postmarked, torn, biro cancelled, sticky taped or do not have sufficient border. Thank you to those who have dropped off their trimmed stamps already - keep them coming!
