### Update from the Welfare Team

The Welfare Team are currently working Monday to Thursday and clients are asked to ring the office and make an appointment because we work certain hours. We now have a notice at the front doors of the church advising of when Welfare assistance is available.

So if you are at the church after hours, doing cleaning, or even during a worship service and someone appears seeking welfare assistance what should you do? The Welfare Team suggests you give them an office business card available from the office counter and ask them to ring the office during office hours to make an appointment. If it is Sunday during the service and the matter is urgent then offer them a drink and ask them to wait until after the service. Most people will accept either of these options.

### Landscape Concept - Front North West

The garden and lawn area on the front north west area of the church (Bogong Ave) is to be revitalised after 30 years. A plan of the works is outside the office door. The new design will incorporate some seats for quiet contemplation and a location for the new birdbath donated by Leisure Time in memory of Cliff Baker. This work is to be commenced on Saturday 4 June and we would appreciate your help in removing all of the old vegetation and lawn. If you can spare an hour, we would love to see you. Any questions about the project can be directed to Mirini Lang or Warren Greenwood.

---

### Wearing a yellow sunflower

You might see someone in the church foyer wearing a yellow sunflower. The person is wearing a sunflower so they are recognisable and their role is to be a "welcomer" for our church. They will particularly be on the look out for and engage with people who are new to our church or visiting our church. If you are new or visiting or want to know something, speak to anyone, but know that the person with the sunflower will be very pleased to talk with you. However, we do encourage the whole congregation to be welcoming of people at our church.
