

## Welcome

GWUC is a faithful, Christ-centered community that meets God and shares in that unconditional love. We welcome all those who are worshipping with us here in the church or via our Broadcast Ministry - we are glad you are here!

If you are new or visiting our church, look out for the people wearing sunflower brooches.

They are part of our welcoming team, and would love to have a chat and get to know you! Also, don't forget to fill in a 'Welcome' card so that we can stay in contact.

## **Notice of a Special Meeting of the Congregation**

A special meeting of the congregation will be held in the church worship centre on Sunday 16th July at 10:30am between the 9:15am and 11:00am worship services. At this meeting, the congregation will receive a report from the GWUC Joint Nominating Committee (JNC) proposing that we recommend a particular person be called for our First Third of Life ministry position.

## **Parking Changes in Glen Waverley - A message from Church Council.**

Members of the congregation

As you are probably aware, work will commence shortly to extend the multi-storey car park opposite the church. The Property Committee and Church Council are liaising with Monash Council concerning how this might affect us. Regardless, parking will be challenging at times for the next couple of years.

We seek your understanding and co-operation. It would be good if places in the church car park were left free as much as possible for those amongst us for whom mobility is difficult. However, there is no way we can control the use of our carpark by congregation members, visitors, or passers-by.

For those without mobility issues, we suggest using the parking that is available in the surrounding streets and in the Library carpark. Monash Council has released details of parking restrictions in the streets surrounding the church. These are available to view on the notice board in the foyer. Please check carefully the restrictions which apply to where you are parking.

We encourage the use of carpooling and ask that you do not leave your car in the carpark for extended periods after your event or function has ended.

If you have a genuine need to use the carpark for non-church activities during the week (Mon-Sat), please check with the church office to ensure there are no events or functions being held.

With a bit of good-will, we can make this work.
